

- To make the mask:**
1. Print out the mask on an A4 sheet of recycled paper
 2. Carefully cut around the mask.
 3. To make the mask more durable, you apply clear contact paper to both sides of the mask and cut around it again.
 4. Attach string or elastic to the sides of the mask

About the Bilby

The Bilby is a cute nocturnal Australian marsupial, who likes to hunt at night for insects, plants, bulbs and even spiders! 200 years ago the Bilby occupied 70% of Australia now it only covers about 20%. The Bilby is an endangered species which means that if we don't take care of its environment they will one day disappear and become extinct.
